

Reliance

Vinyl Flooring Accessories- Full Cove & Capping

Décor-matching Reliance Flooring Accessories are suitable for Vinyl and Linoleum floorings. A wide range of flooring accessories is available to give a perfect touch to the floor.

Application

Full Cove and Capping Skirtings (FCC) provide single solution to floorcovering by replacing individual use of Capping Strip, Skirting and Cove Former.

Reliance offers solutions to suit most contract applications for 'critical' clean areas where a homogeneous finish is essential such as hospital, food & pharmaceutical environments, through to commercial office, education or retail environments where functionality needs to be combined with aesthetics.

A choice of different colors and designs are available. Once installed, Reliance Full Cove and Capping Skirting (FCC) gives a low maintenance solution.

Installation

Full Cove and Capping Skirting (FCC) are secured to all wall surfaces using contact adhesive

- Combination of the Cove Former, Capping Seal, and Skirting into a single product.
- Guarantees water tightness.
- Hygienic and makes cleaning corners easier.

Colors: Black, Brown, Beige, Blue, Grey, Green, Orange, Red, White, Yellow.

Packing: Full Cove and Capping Skirting's (FCC) are available in roll form and straight length.

Customized designs and colors can be produced to match the customer's specific requirements.
