

Décor-matching Reliance Flooring Accessories are suitable for Vinyl and Linoleum floorings. A wide range of flooring accessories is available to give a perfect touch to the floor.

Application

Reliance Stair Nosing is designed for use in commercial and public buildings.

Stair Nosing helps in preventing the problem of slips and falls because of the anti-slip features and add beauty and safety to the building stairs.

Stair nosing are available in different sizes and colors.

Installation

Stair Nosing are installed using contact adhesive.

Wide staircases, which require butting multiple lengths of product, will require additional planning and dry fitting prior to adhesive installation to ensure proper pattern alignment.

- Grooves provide anti-slip protection
- Adapted to 2, 3 or 4 mm floor covering
- Weldable

Colors: Black, Brown, Blue, Grey, White

Customized designs can be produced to match customer's specific requirements.
